OBJECTIVE:

To secure the Freelance Web Developer position in a well-established organization with a stable environment.

RELEVANT SKILLS:

Admirable experience in working with front and web development technologies and standards, including HTML, CSS JavaScript / jQuery, XML.

Exceptional knowledge of e-commerce and other order processing systems.

Meeting with the prospective clients to review website, and gather the client's specifications for new or existing websites.

Handling all verbal and written communications between hosting companies, clients and vendors.

Proficient in understanding of standards-based XHTML, CSS, JavaScript and SEO Techniques.

Immense ability to handle multiple high priority projects at one time.

An established set of design skills enable me to contribute and actively participate in projects across different visual mediums

Outstanding ability to work in a fast-paced high-pressure environment with little oversight.

SHAHANI FE D. VICIO

FREELANCE WEB DEVELOPER
